Hi Sarah,

Appreciate your response to the letter we sent out to Mike Machlan regarding EPA's interim action remedy implementation at the Lusher Street Groundwater Contamination Site in Elkhart.

A Conference call on this issue is a great idea. Can you schedule a conference call on this during the first two weeks of December. At this time my calendar is open on December 2, 3, 9 and 10 (any time these 4 days) and 12 (prior to 12:00 PM). If there dates are not Ok, please suggest any other alternate days. However, please note that I will be on vacation starting on Nov 17 for two weeks and I will respond on December 2.

Thanks.

Syed
